- * Learn how to follow simple directions and communicate well.

There are several opportunities to participate in your child's development at Lincoln. At Lincoln Pre-K we encourage family visits!

Child Find

AM and PM Classes

4 half days a week: \$125 Monday through Thursday

Options to meet financial needs of families are also available!

Related services at Lincoln Pre-K are offered in individual and/or group settings for children identified with speech, occupational therapy or physical therapy needs.

Help Me Grow transitions are completed by our knowledgeable Intervention team here at Lincoln Pre-K. Our teachers are willing and able to receive your student into our Pre-K setting.

Tiffin City Schools has a team that will assess every child, ages 3 through 5 years old, who are suspected of having a disability.

The team will screen your child's vision and hearing, plus evaluate these five developmental areas:

- *Speech and language skills
- *Fine and gross motor skills
- *Self-help skills
- *Social skills
- *Cognitive skills

Once the screening and evaluation process is complete, you will receive a report of your child's results, regardless of his or her readiness. If additional evaluation is required, Lincoln's Early Intervention Specialists will assist you in preparing your child for their first years in school.
